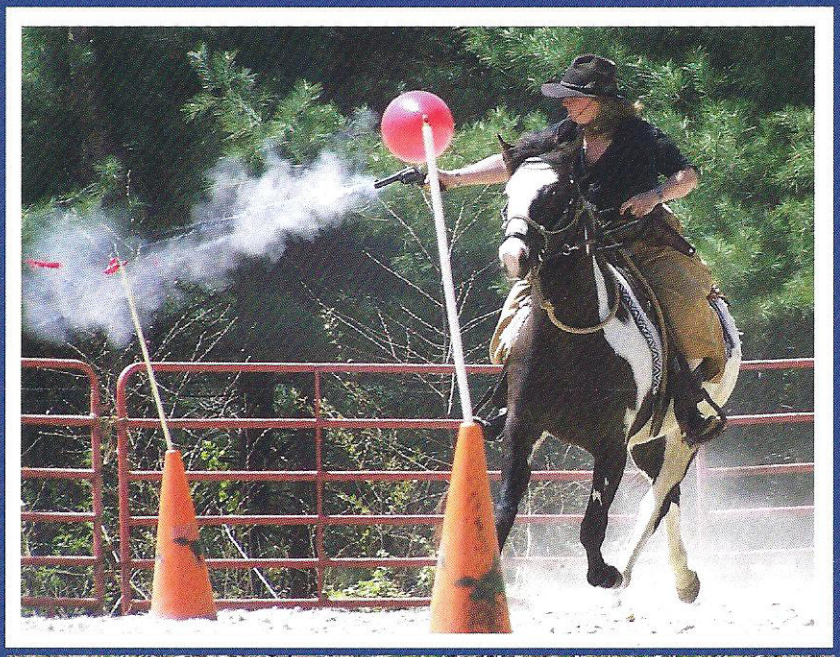
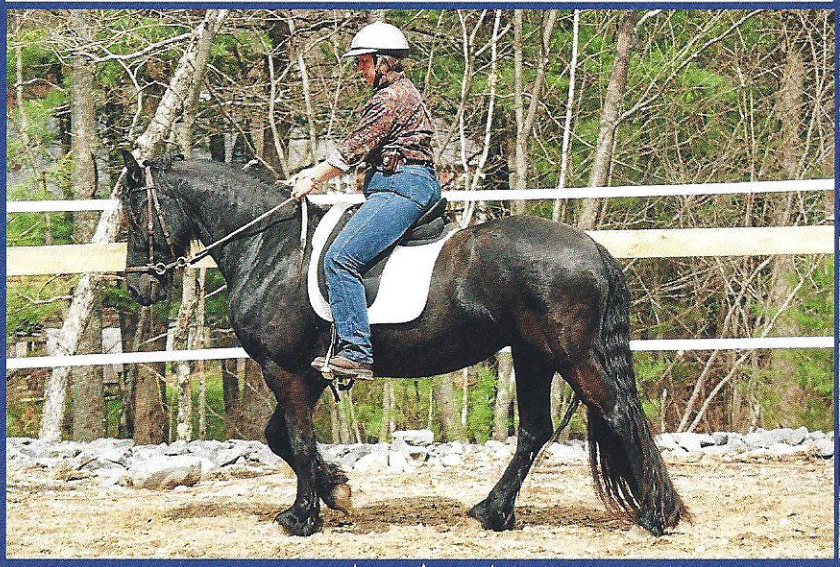
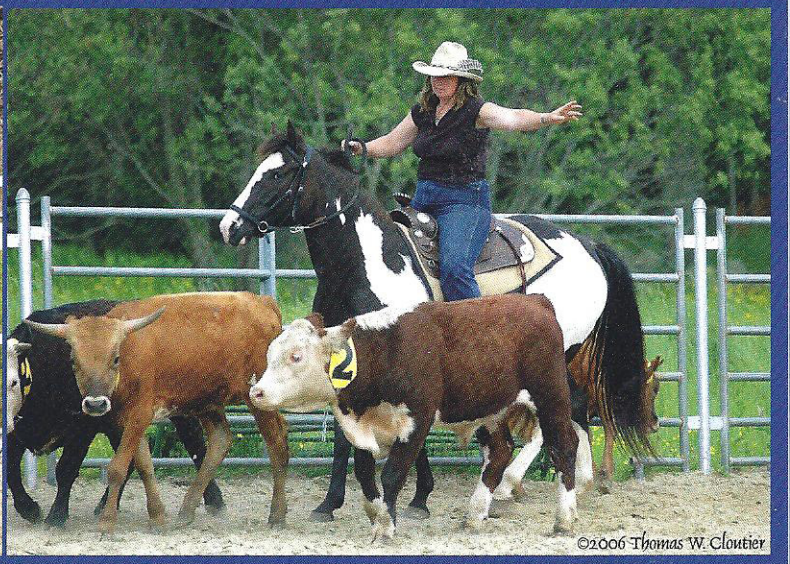
Transition to Dr. Cook's Bitless Bridle Clinic

Topsfield Fairgrounds



17th annual Equine Expo & Paraphernalia Sale





April 28th 2012
9:00 - 3:00 pm

Topsfield Fairgrounds, Route 1, Topsfield, MA

Cathie will be transitioning 2-3 horses from their bitted bridle - to a Dr. Cook's Bitless Bridle. Come see how easy it can be for YOU to "Go Bitless"! Even if your discipline requires you to use a bit, you and your horse can still reap huge benefits from using this bridle for fine tuning your communication at home. Call Cathie with any questions.

Tons of shopping, clinics all day!
All of this included for the price of $5.00 admission. Hosted by the Essex County Trail Association.
(children under 10 free)
